February 2, 2016

Dear parents,

I hope you are enjoying this winter weather but I bet you are counting the days until spring arrives. The Lord has blessed us with His wintry loveliness.

Even though we still have one more quarter left in this school year, it is time to inform you of the tuition and fees for the upcoming 2016-2017 school year. We are very fortunate this year that the tuition only increased by \$18 per month. The book fee is remaining the same.

The total tuition cost to educate each child in grades K-8 next year is \$7,261. This number is determined by the projected expenses divided by the projected number of students for the year. The difference in the tuition cost is paid by the church subsidy, annual give, and the fund-raisers. You can see how vital it is for the parish support along with the additional means of raising money for St. Mary's Catholic School at keeping our tuition at a manageable rate increase each year.

If you have any questions after reviewing the attached information sheet about the tuition and fees for the upcoming school year, please do not hesitate to call us at the school. We will be happy to discuss your concerns.

May God bless you,

SMS Staff
